

Park Pty Ltd recognises its responsibility for Workplace Health and Safety when carrying out our business activities. As Managing Director, I am committed to providing a healthy and safe workplace for all our employees, contractors and visitors.

Park Pty Ltd will provide resources and support to achieve an injury and disease-free workplace and ensure workplace health and safety considerations are critical in the way we do business.

We commit to:

- Develop and maintain a Workplace Health and Safety Management System (WHSMS).
- Set measurable objectives and targets to ensure continual improvement in WHS performance.
- Actively identify and eliminate any hazards in our areas of control
- Ensure all employees are trained and competent to safely carry out their job.
- Investigate all incidents to determine the cause and undertake corrective actions to prevent a recurrence.
- Consult with our employees on all WHS issues that relate to the work that they do.
- Carry out regular audits of our WHSMS.

All employees have a responsibility to:

- Contribute to the development and review of work practices.
- Actively participate in incident investigations and team meetings.
- Wear and use the appropriate protective clothing and equipment.
- Report and/or rectify any unsafe condition or work practice.
- Comply with safe work procedures

Workplace health and safety is both a shared and individual responsibility. Working safely at Park Pty Ltd is a condition of employment.
