

Park Pty Ltd recognises the importance of the environment and is committed to carry out its activities in an environmentally responsible manner. This responsibility is shared by the management at all levels and all employees involved in the operational activities that may have an impact upon the environment.

Park Pty Ltd is committed to:

- Conducting its operations in compliance with statutory requirements.
- Actively seeking and giving due consideration to community expectations regarding the Company's environmental performance.
- Having an ongoing and cooperative approach to assist the community in developing an informed and balanced view about the Company's activities and products.
- Review of current operational practices, and where appropriate, amend and update standard operating procedures to improve our environmental performance.
- Providing appropriate training for all employees on environmental matters relevant to their workplace and ensure that employees, contractors, supervisors and managers accept responsibility for their own actions and work according to agreed environmental practices.
- Having an on-going program of communication on environmental matters throughout the Company.
